

Ensuring photographs and images of children are taken, stored and shared appropriately

The purpose and aim of this policy statement is:

- protect children and young people who take part in Sevenoaks Entertainers' services, events and activities, specifically those where photographs and videos may be taken;
- set out the overarching principles that guide our approach to photographs/ videos being taken of children and young people during our events and activities
- to ensure that we operate in line with our values and within the law when creating, using and sharing images of children and young people.

This policy statement applies to all staff, volunteers and other adults associated with Sevenoaks Entertainers. The term 'staff' includes trustees and members undertaking duties for the organisation, whether paid or unpaid.

We believe that:

- children and young people should never experience abuse of any kind;
- we have a responsibility to promote the welfare of all children and young people and to take, share and use images of children safely.

We recognise that:

- sharing photographs and films of our activities can help us celebrate the successes and achievements of our children and young people, provide a record of our activities and raise awareness of our organisation;
- the welfare of the children and young people taking part in our activities is paramount;
- children, their parents and carers have a right to decide whether their images are taken and how these may be used, regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation;
- consent to take images of children is only meaningful when children, their parents and carers understand how the images will be used and stored, and are fully aware of the potential risks associated with the use and distribution of these images;
- there are potential risks associated with sharing images of children online.

We will seek to keep children and young people safe by:

- always asking for written consent from a child and their parents or carers before taking and using a child's image;
- always explaining what images will be used for, how they will be stored and what potential risks are associated with sharing images of children;
- making it clear that if a child or their family withdraw consent for an image to be shared, it may not be possible to delete images that have already been shared or published;

- changing the names of children whose images are being used in our published material whenever possible (and only using first names if we do need to identify them);
- never publishing personal information about individual children and disguising any identifying information;
- making sure children, their parents and carers understand how images of children will be securely stored and for how long (including how we will control access to the images and their associated information);
- reducing the risk of images being copied and used inappropriately by:
 - only using images of children in appropriate clothing;
 - using images that positively reflect involvement in the activity.

We will also develop a procedure for reporting the abuse or misuse of images of children as part of our child protection procedures. We will ensure everyone involved in our organisation knows the procedures to follow to keep children safe.

Photography and/or filming for personal use:

When children themselves, parents, carers or spectators are taking photographs or filming at our events and the images are for personal use, we will announce details of our photography policy before the start of the event. This includes:

- reminding parents, carers and children that they need to give consent for Sevenoaks Entertainers to take and use their images;
- asking for photos taken during the event not to be shared on social media or asking people to gain permission from children, their parents and carers before sharing photographs and videos that include them;
- recommending that people check the privacy settings of their social media account to understand who else will be able to view any images they share;
- reminding children, parents and carers who they can talk to if they have any concerns about images being shared.

Photography and/or filming for Sevenoaks Entertainers' use:

We recognise that our group leaders may use photography and filming as an aid in activities such as music or drama. However, this should only be done with Sevenoaks Entertainers' permission and using our equipment.

Children, young people, parents and carers must also be made aware that photography and filming is part of the programme and give written consent.

If we hire a photographer for one of our events, we will seek to keep children and young people safe by:

- providing the photographer with a clear brief about appropriate content and behaviour;
- ensuring the photographer wears identification at all times;
- informing children, their parents and carers that a photographer will be at the event and ensuring they give written consent to images which feature their child being taken and shared;
- not allowing the photographer to have unsupervised access to children;
- reporting concerns regarding inappropriate or intrusive photography following our child protection procedures.

If consent to take photographs is not given:

If children, parents and/or carers do not consent to photographs being taken, we will respect their wishes. We will agree in advance how they would like to be identified so the photographer knows not to take pictures of them and ensure this is done in a way that does not single out the child or make them feel isolated. We will never exclude a child from an activity because we do not have consent to take their photograph.

Storing images:

- We will store photographs and videos of children securely, in accordance with our safeguarding policy and data protection law.
- We will keep electronic images in a protected folder with restricted access.
- We will never store images of children on unencrypted portable equipment such as laptops, memory sticks and mobile phones.
- Sevenoaks Entertainers does not permit staff and volunteers to using any personal equipment to take photos and recordings of children. Only cameras or devices belonging to the organisation should be used.
